Department of Financial Institutions is Moving

The Department of Financial Institutions, Division of Credit Unions (DCU) is moving to Tumwater. The agency move is tentatively scheduled the week beginning March 10, 2003. We anticipate being fully operational in our new offices by Monday, March 17th. The DCU office staff will be working from an alternate site during the week of the move. You can contact us by sending an e-mail or leaving a voice mail, which we will check and return throughout the work day. Examiners will continue to conduct examinations as scheduled. We do not expect examiners work to be affected by the move.

While our street address is changing, our phone numbers, fax numbers, e-mail addresses and post office box will remain the same.
