List of Division Opinions and Bulletins **Issued in 1997**

Opinions

From time to time, the Division issues written opinions in response to questions about how a statute or rule should be applied to a particular factual situation. In order to make these opinions available generally to credit unions, we will publish a list of new opinions twice a year. The Division is happy to provide “sanitized” copies of the actual opinions upon request. Enclosed is a list of opinions issued in 1997.

Please be aware that the opinions are limited to their facts; we may reach a different conclusion if presented with different facts or conditions.

Bulletins

In addition, the Division issues Bulletins on regulatory developments. Enclosed is a list of the Bulletins issued in 1997. A copy of each Bulletin was provided to credit unions at the time the Bulletin was issued.

Please call or fax your request to Tina Philippsen (at the Division office at the numbers above) if you would like a copy of an opinion or Bulletin on the enclosed lists.
