Hi Ms. Fazio, RE: WAC 208-620-622 section below - can you please clarify the addition of "license number" on the landing page of company's website?

- (1) On the landing page of Carrington Mortgage Services, LLC website(s)*, the footer shows company's NMLS ID # 2600;
- (2) Does the license number mean the company's NMLS ID # or the WA state specific license #, which is the NMLS ID # preceded by CL?
- (3) If state specific, under "TERMS," a link called "State Licensing" contains an extensive License Chart, which displays "Washington Consumer Loan License – Anaheim, CA (# CL-2600)."
=> Isn't that sufficient?
