Monday & Tuesday: In person at Bellevue College

Wednesday: Juneteenth Holiday Observance

Thursday: Visit a financial institution

Friday: Virtual event

The workshop will:

- Highlight how your education, interests and experience may fit into one of the many roles in a bank, credit union or at DFI as an industry regulator.
- Match you up one-on-one with a mentor, providing a direct connection into the industry as you determine your future career opportunities.
- Industry leaders will share insight about:
 - Their career path into banking, lending, finance, and investing.
 - Career growth opportunities and how organizations seek and hire new talent.
 - Upcoming trends for the industry, including fintech and cybersecurity.
 - The importance of financial education and outreach in Washington State.
